## Residential Treatment Center

### Drug & Alcohol Addiction Treatment

At Charter Oak Recovery Center, each person is seen as a unique individual with special needs and unique life circumstances. Our treatment program follows the American Society of Addiction Medicine criteria and the 12-Step model of recovery. Treatment is provided by psychiatrists, therapists and counselors who understand the heart and soul of recovery.

- **All-private rooms, men and women ages 18+**
- **Covered by most private insurance plans**
- **Relapse prevention education**
- **Return to work planning**
- **Dual diagnosis treatment**
